May 2018

Dear Parents,

As the school year comes to a close, we begin our preparation for the coming year. We will need your cooperation in notifying us of the choice of day you want your child placed, any changes, such as telephone, email address etc. We would also appreciate it if you notify us before June 8th. if you do not plan to return next September. You *must re-register* each year, if we do not hear from you by July 31st. we will **automatically** place your child in the next available class. REMEMBER, YOU MUST RE-REGISTER.

If you are registering a new child for the program, you must send in a copy of the baptismal certificate with the form (if your child was not baptized at OLPH). The tuition is \$200.00 per child (after July 31st. \$50.00 per child late fee). Please return re-registration form and fee before July 30th.

Please take note the teachers have requested small classes on Sunday and Monday. We will close the class at 20 students. This brings us to discuss the great need for volunteer teachers. Teaching CCD is extremely rewarding and we would like to invite you to become a teacher. Please contact us if you would like to teach and we will help you on your way of being a good teacher. We need your help, we always need teachers, substitutes teachers, co-teachers and helpers. During the summer we will list in the weekly bulletin the teachers we need for each day. Parents who volunteer get preference for the day they choose.

Remember you must send in re-registration each year. NO ONE is guaranteed the same day, also there will be a limited on class size. The teachers on Monday were upset the class had to many students and NO one was willing to choose another day.

We hope you and your family have a happy and healthy summer and you and your family attend mass each week since it is so important.

Sincerely,

Michael Hall
Director
